

## Magic Waves

Free as a bird for a while  
Lost in my dreams I can smile  
Touched by your Soul I can fly  
In all my love for you

Mhm  
Your magic inspired my soul  
Affected by your soul  
is my life  
So let us fly away  
to the sky above

Mmmhmm  
Under the clouds  
towards the sun  
This magic waves  
inspired our fun  
Just all our time  
me and you  
My darling – oh it's true

Mhm  
Light up my life  
with your love  
twinkeling stars  
all above  
Love songs revive  
with their sound  
This Magic Waves creep along

Mhmmm  
Free as a bird for a while  
Lost in my dreams I can smile  
Touched by your soul I can fly  
In all my love for you
